

**X-key-24**

Free programmable keypad with 20 keys for PCs and Macs.

**Description**

By summarizing more complex and recurring combinations of keys on one key, the x-key offers a clear facilitation of work and also an increase of productivity. It can be used for applications, which do not require a regular keyboard.

**Features**

- with red or green backlighting
- 24 programmable keys
- Clear, removable key caps for applying and changing legends
- Rugged construction
- Activates e.g. CAD complex commands
- Includes Macro Works 3 software for Windows and ControllerMate for Mac OS-X
- 2 layers - user selectable toggle and/or shift keys
